RE: Work Authorization for SRTS Funds for SFY 201³ – LCMPO SRTS Coordinator

Dear Mr. Murphy:

This letter authorizes the Las Cruces Metropolitan Planning Organization (MPO) to seek reimbursement from the New Mexico Department of Transportation (NMDOT) for completion of tasks as specified in the amended current Las Cruces Unified Planning Work Program (UPWP) pertaining to the Las Cruces MPO Safe Routes to School (SRTS) Coordinator position. The total project amount is \$128,562 at \$64,281 per year; the Year 4 funding amount is outlined below.

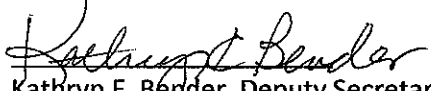

The authorized expenditure level shall be as shown in the table.

SRTS Funds/ Las Cruces MPO July 1, 2012 – June 30, 2013

Source	Control Number	Project Number	Fiscal Year	Authorized Amount	Local Match	Total
SRSI1 LU20	W100032	SRSI-7700(150)	SFY 2013	\$64,281	\$0	\$64,281

Authorized funding amounts are based on the Pursuant to the Surface Transportation Extension Act of 2011, Part II, as Amended. This Work Authorization shall terminate on June 30, 2013; however, the Las Cruces MPO may submit invoices after the termination date for work completed prior to that date. This Work Authorization shall not be altered, changed, or amended except by an instrument in writing. If you have any questions, please contact Jessica Griffin at (505) 476-2155.

Subject: TIP Inclusion FY 14- Dial-a-Ride Vans
Attachments: FW_ FTA SGR grant - notice of award.pdf

Hi Andy,

We applied to FTA under their State of Good Repair grant opportunity to replace dial-a-ride vehicles. We were successful in our proposal and below is the basic info for the award.

Total project cost (minimum)= \$335,000

FTA awarded: \$278,050 (up to 83% of total project cost)

CLC minimum match: \$56,950

To be purchased in FY 2014...

The estimate we used for the grant application was \$67,000.00 per paratransit vehicle. That means this award would pay for 5 dial-a-ride vehicles. I'm attaching the Notice of Award that was forwarded through Mike's office. Let me know what other information you need/forms filled out so we can include this project on the TIP (STIP).

Thanks!

All –

I received some good news today from Senator Bingaman's office.

The City had submitted a couple of FTA State of Good Repair (SGR) grant applications. We were awarded \$278,050 for replacement of Dial-a-Ride vehicles. This grant can be used for up to 83% of the cost of vehicle replacement.

I did look at the FTA website and it appears that we did not get any SGR grant funding for replacing three aging fixed-route buses that are due for replacement.

Notice Of Grant Award

Title: FY2012 State of Good Repair Program

DOT Agency Disbursing Funds: Federal Transit Administration

Project Name/Number:

Award Recipient City of Las Cruces

City/Country/State Las Cruces, NM

Place of Performance Las Cruces

Entitle Amount \$ 0.00

Discretionary Amount \$ 278,050.00

Total Grant Amount \$ 278,050.00

DOT Regional Office/Telephone Number Kate Webb 202/366-4043

Description:

Paratransit Vehicle Replacements.

This project was selected on a competitive basis through the FY 2012 State of Good Repair Program. A completed grant application must be submitted through an FTA Regional office before funds can be awarded. It should also be noted that for the purchase of buses, because it is impossible to determine at this stage where buses purchased will operate within a given transit agency service area, all potentially impacted Congressional Districts are identified.

The City of Las Cruces, one of the fastest growing places in the state of New Mexico, will purchase replacement paratransit vehicles for use in the Dial-a-Ride program. Maintaining a robust public transit system will help resolve growth-related issues of increasing traffic on the region's roadways.

Dear Mr. Weir:

It is my pleasure to inform you that the New Mexico Department of Transportation (NMDOT) selected the City of Las Cruces to receive a Safe Routes to School (SRTS) Phase 2 infrastructure award of up to \$500,000 for the projects as outlined in the December 6, 2012 letter of intent (which may be modified). The City was selected for this SRTS funding because of the on-going SRTS efforts of the City and the Las Cruces Metropolitan Planning Organization (LCMPO).

Congratulations and we look forward to working with you to make walking and bicycling to school a safe, appealing and accessible transportation option for our children.

Subject: RE: RR Transit TIP items

Hi Andy – just getting back to you on your TIP questions...

The 50% apportionment of 5307 funds for FY2013 is \$910,864. Assuming the remainder of FY13 gets funded, Las Cruces should get \$1,821,728 in 5307 funding. This would affect control #s TL00010 and TL00013 in our TIP. For FY 13-15, I would just assume the \$1,821,728 in annual apportionment of 5307 funds. The projects listed in TL00013 are related to the same apportionment; The amounts in TL00013 are OK, but the amounts reported in TL00010 should be adjusted down so that TL00010 and TL00013 total to the estimated 5307 apportionment.

There is no funding for TL00011 for bus replacement other than what Elizabeth reported to you for the paratransit vans under the State of Good Repair program. We certainly want to keep applying for new SOGR funds because we desperately need to replace 3 of our oldest buses.

Let me know how we should best reflect this in the TIP. Thanks.

August 17, 2012 BPAC Facility Subcommittee Report

DISCUSSION:

The purpose of this discussion item is to identify goals to accomplish in 2013 for the BPAC and the Facility Subcommittee.

Note to MPO from George Pearson (1-8-2013):

The committee would want to identify what we had discussed in the subcommittee as an overall goal. That is, prepare as appendices for the transportation plan some best practices for lane striping at intersections to accommodate bicyclists and a separate list of problem facilities that should be considered for improvement when possible.

Nathan Small, during council sessions, had mentioned expanding the trail system (and it sounded like there was agreement from council). This might fit into a goals discussion, or might just be something that will happen later in the year.
