NOTE TO SCALE

ANNUAL AVERAGE WEEKDAY TRAFFIC (AAWDT) volumes are based on traffic incident data accepted by the New Mexico Department of Transportation Traffic Monitoring System (TMSS) as standard in accordance with New Mexico State Traffic Monitoring Standards (NMSTMS).

AAWDT volumes in PARENTHESES are traffic counts gathered during a specific diurnal time period. The counts have not been scientifically adjusted in accordance with NMSTMS. NMSTMS recommends that non-standard data be used with caution.

AAWDT - Standard 24 h
Each year at least one third of all traffic sections of factor groups, which are grouped by functional classification of collector or better, will be counted.

The preparation of this report has been financed in part through grants from the Federal Highway Administration and Federal Transit Administration, U.S. Department of Transportation, under the National Highway Traffic Flow Information Program and Research Program, Section 305 (Transportation Planning and Research Program, Section 305) of Title 23 U.S.C. The contents of this report do not necessarily reflect the official views or policy of the U.S. Department of Transportation.

This map is comprised of MPO through traffic of collector and above and a sampling of local roads. This map is for informational use only and is not intended to be used as a road map.
