Title VI Policy Statement

The Mesilla Valley Metropolitan Planning Organization (MPO) is committed to compliance with Title VI of the Civil Rights Act of 1964, 49 CFR, part 2, and all related regulations and directives. The Mesilla Valley Metropolitan Planning Organization assures that no person shall on the grounds of race, color, national origin, gender, age, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity under any MPO program, activity or service.

Harassment and retaliation are also prohibited forms of discrimination.

Examples of prohibited types of discrimination based on race, color, national origin, sex, disability, or age include: Denial to an individual any service, financial aid, or other benefit; Distinctions in the quantity, quality, or manner in which a benefit is provided; Segregation or separate treatment; Restriction in the enjoyment of any advantages, privileges, or other benefits provided; Discrimination in any activities related to highway and infrastructure or facility built or repaired; and Discrimination in employment.

Los actos aparentemente neutrales que tienen impactos desiguales sobre las personas de un grupo protegido y carecen de una justificación legítima sustancial son una forma de discriminación prohibida. El acoso y las represalias también son formas prohibidas de discriminación.

Los ejemplos de tipos de discriminación prohibidos basados en la raza, el color, la nacionalidad, el sexo, la discapacidad o la edad incluyen: La negación a un individuo cualquier servicio, ayuda financiera, u otro beneficio; Las distinciones en la cantidad, calidad o manera en que se proporciona un beneficio; La segregación o tratamiento separado; La restricción en el placer de cualquier ventaja, privilegios u otros beneficios proporcionados; La discriminación en cualquier

II. Title VI and Environmental Justice – The Public Participation Plan (PPP)

The Mesilla Valley Metropolitan Planning Organization Public Participation Plan (PPP) describes how the MPO communicates and distributes information to the public as well as how the public can interact and provide comments to our organization. The needs of those traditionally underserved by the existing system will be sought and considered by the MPO.

Through its public involvement efforts, the MPO will strive to achieve the following Title VI and Environmental Justice (EJ) goals:

- To avoid, minimize, or mitigate disproportionately high and adverse human health and environmental effects, including social and economic effects, on minority populations and low-income populations.
- To ensure the full and fair participation by all potentially affected communities in the transportation decision-making process.
- To prevent the denial of, reduction in, or significant delay in the receipt of benefits by minority and low-income populations.

Title VI states that no person shall, on the ground of race, color, or national origin be excluded from participation in, denied benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. The MPO will ensure that the input and feedback from all people will be considered in the development of MPO planning documents and activities.

EJ concerns and goals should be considered throughout all public engagement efforts, from project planning through construction and operation. This includes public outreach conducted during transportation planning and during the environmental reviews required by the National Environmental Policy Act (NEPA).

The following actions related to Environmental Justice and Title VI are meant to reduce the barriers for participation in the decision-making process by low income, minority or disabled individuals.

1. When possible, public meetings will be held in locations that are convenient to low and moderate income neighborhoods and accessible to disabled populations. Such locations include community centers, senior centers and schools. Where possible, members of our organization will meet at the locations of businesses, neighborhood groups, stakeholders, and other agencies.
2. Upon request, all of our organization’s work products and documents will be made available in alternative formats, including Braille, large type and languages other than English.
3. The following statement will be included in all of our organization’s documents: The MVMPO does not discriminate on the basis of race, religion, sex, sexual orientation, gender identity, color, ancestry, serious medical condition, national origin, age, or disability in the provision of services.
4. The following statement will be included in all meeting announcements:
The MVMPO will make reasonable accommodation for a qualified individual who wishes to attend this public meeting. Please notify the MVMPO at least 48 hours before the meeting by calling 528-3043 (voice) or 1-800-659-8331 (TTY) if accommodation is necessary. This document can be made available in alternative formats by calling the same numbers list above. *Este documento está disponible en español llamando al teléfono de la Organización de Planificación Metropolitana de Mesilla Valley: 528-3043 (Voz) o 1-800-659-8331 (TTY).*

5. Agencies and organizations that represent low income, minority and disabled populations will be identified and included in our organization’s mailings. Our staff will maintain an active listing of contacts for these organizations.

6. Our organization will evaluate Environmental Justice actions and Title VI requirements on an annual basis to ensure effectiveness of public involvement. This document will be reviewed and updated in conjunction with the Public Participation Plan.

**Communication and Notification to the Public**

All members of the public are ensured protections against discrimination which are afforded to them by Title VI. To ensure open communication with the public, the MPO will adhere to the following requirements:

- The Mesilla Valley Metropolitan Planning Organization will disseminate agenda and public meeting information to members of the public via accessible printed and electronic media, including postings on the MPO website and in the Las Cruces Sun News. Documents and agendas will be available at the MPO office 700 N. Main, Suite 3100, Las Cruces, NM 88004 and at other locations identified in the Public Participation Plan.
- Public notices of Mesilla Valley MPO meetings will be posted at the location of the meeting site.
- In appropriate documents, the MPO will include a statement that the organization complies with Title VI by assuring that no person shall on the grounds of race, color, national origin, gender, age, or disability be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity under any MPO program, activity, or service.

Section VI of this plan describes the procedures on how members of the public can request additional information regarding the Mesilla Valley Metropolitan Planning Organization Title VI obligation. This section also identifies the procedures to be followed by members of the public to file a discrimination complaint against the Mesilla Valley Metropolitan Planning Organization.

**III. Title VI and Environment Justice – Mesilla Valley Metropolitan Planning Organization Planning Requirements**
The Mesilla Valley Metropolitan Planning Organization is responsible for ensuring Title VI compliance for the following planning activities:

**Data Collection**

Census and other statistical data will be collected by the MPO as a means of identifying low income and minority populations within the MPO. The data will be maintained for the purpose of planning projects and programs that serve various population groups. The data collection process will be reviewed regularly to ensure sufficiency in meeting Title VI requirements.

- **Mesilla Valley Metropolitan Planning Organization Actions**
  - Collect, maintain, and update databases of low income and minority concentrations within the MPO area
  - Utilize the data when developing plans and studies
  - Develop demographic profile maps to help identify neighborhoods with high concentrations of low income and minority populations
  - Use these maps in various planning documents

**Unified Planning Work Program**

The Mesilla Valley Metropolitan Planning Organization Unified Planning Work Program (UPWP) is the biannual list of projects and activities that are expected to be completed by MPO Staff. In this document, MPO Staff will identify projects, studies, and other activities that will provide more transportation options to disadvantaged populations.

- **Mesilla Valley Metropolitan Planning Organization Actions**
  - Identify planning activities that will encourage involvement by all populations
  - Analyze the benefits and impacts that planning studies might have on low income and minority populations
  - Create maps highlighting socio-economic groups and their geographical relationship to jobs, housing, and transportation options for all modes

**Transportation Improvement Program**

The Transportation Improvement Program (TIP) is the short term program of projects that are expected to be designed, engineered, and constructed within the next four years. Projects should be reviewed to assess the benefits and impacts they might have on various aspects of the population.

- **Mesilla Valley Metropolitan Planning Actions**
  - Work with the entities to identify transportation projects that serve areas of the MPO with low income and minority populations
  - Provide opportunity for all populations to provide input into project identification
Metropolitan Transportation Plan

The Metropolitan Transportation Plan (MTP) is the long range, comprehensive plan that identifies the projects, programs, and policies needed in the next 20 years to meet the transportation needs of this area. Using various data collected by the MPO, the MTP can estimate growth patterns of disadvantaged populations and address the benefits and burdens that future transportation projects might have.

- Mesilla Valley Metropolitan Planning Organization Actions
  - Develop demographic profile maps that project growth in disadvantaged populations over at least a 20-year planning horizon
  - Give all populations opportunity to provide input into project identification
  - Assess the effects that future land use decisions and transportation projects might have on the neighborhoods, the environment, and the economy
  - Ensure that the benefits and impacts of future transportation systems are equally distributed among all areas of the MPO

Transit Planning

The Mesilla Valley Metropolitan Planning Organization has two transit service providers within its planning area: RoadRUNNER Transit and the South Central Regional Transit District. RoadRUNNER Transit is the transit service provider for the City of Las Cruces and the South Central Regional Transit District provides service to rural Doña Ana County as well as connecting to Otero County.

- Mesilla Valley Metropolitan Planning Organization Actions
  - Using demographic profile maps, ensure that transit routes and stops fully serve those neighborhoods with high concentrations of low income and minority populations.
  - Work with RoadRUNNER Transit and the South Central Regional Transit District to identify necessary changes to routes
  - Ensure bus stop locations are fully accessible for all users, both at the site and in the vicinity
